Mr. Jack Blaisden
Federal Election Commission
Washington, DC 20463

Dear Mr. Blaisden:

This is in response to two letters dated June 12, 2016 regarding amended reports from year-end 2015 (07/01/2015 – 12/31/2015) and 2016 April quarterly report ((01/01/2016-04/30/2016).

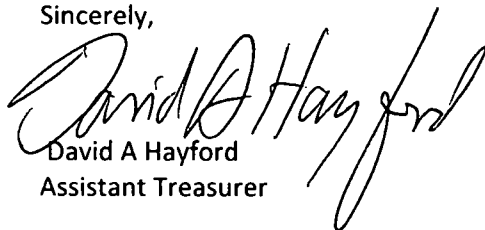

Per our phone conversation of June 14, 2016, a Form 99 has been filed explaining that we did not have sufficient information to make refunds of excess donations prior to March 31. So the amended report properly reflected the debts and obligations.

The amended April 2016 quarterly report has been filed as of this date showing the donation in question on Line 23 rather than Line 22.

We are confident that these actions settle the issues raised.

Thank you for your assistance.

Sincerely,

David A Hayford
Assistant Treasurer
